

SHETLAND LIBRARY eBooks

FAQs – Shetland Library eBook Service

Information correct January 2017

Do I need to be a member of the library to use the Shetland Library eBook service?

You will need to be a member of the library to download and read our eBooks. You can browse our site before you join.

How do I become a member of the library?

Most people find it easiest to drop into the Lerwick library or the Learning Centre during opening hours. Or you may wish to join up at one of our Community Libraries (Baltasound, Brae, and Mid Yell). Our library vans also visit most areas of mainland Shetland, the north isles, and Whalsay. If you live on one of the outer isles, please phone us on 01595 743868 and we will be delighted to help.

How does the eBook Service work?

Using your Library Card and pin, a Shetland Library user can login into a secure eBook service and select up to four eBooks to download at any one time.

What software is available to download eBooks onto my PC/MAC?

For PC/MAC users, eBooks are downloaded using eBook software called Adobe Digital Editions. The first time you try to download an eBook, you will be asked to download and install Adobe Digital Editions, if this software is not already on your PC/MAC. Visit www.adobe.com/uk/solutions/ebook/digital-editions.html for more information. You will also need a valid Adobe ID to be able to read your downloaded eBook.

What is an Adobe ID? Why do I need one? How do I get one?

An Adobe ID is required to authenticate your eReader for use with our service. When a title is downloaded, it is locked to your Adobe ID. This prevents unauthorised sharing of eBooks. If you do not have an Adobe ID, please create one via the **Adobe web site** at accounts.adobe.com

Which eReaders are compatible with your service?

Visit the Adobe web site for the current list of devices compatible with Adobe Digital Editions. If your device is not listed then we suggest you contact your device manufacturer to check if your eReader supports Adobe DRM titles.

Can I download to an Amazon Kindle Reader?

Amazon does not allow “third party DRM” content to be used on their Paperwhite and Ink eReaders. However, it may be possible to read our eBooks on an Amazon tablet, i.e. Kindle Fire HD. Suggested apps are ‘**Libro**’ and ‘**Aldiko**’.

These can be searched for on the Amazon website, or you can use the links below:

Libro: https://www.amazon.co.uk/VleBooks-Libro-eBook-Reader/dp/B01J613UBO/ref=sr_1_1?ie=UTF8&qid=1485780660&sr=8-1&keywords=libro+app

Aldiko: https://www.amazon.co.uk/Aldiko-Limited-Book-Reader/dp/B004V1XJ6Q/ref=sr_1_2?ie=UTF8&qid=1485780488&sr=8-2&keywords=aldiko+app

In some cases, you may need to enable “**Allow Installation of Applications**” on your device. Doing this may invalidate your guarantee. The Shetland Library cannot accept any responsibility for damage or loss of data should you decide to do this.

Can I download directly to my Apple iPhone/iPad?

Yes, you are able to download directly to your iPhone or iPad. To download Shetland Library eBooks to your Apple device you must have the **Libro** app installed (see instructions on our website). Once installed and configured with your Adobe ID, you can start to download and read Shetland Library eBooks.

Can I download directly to my Android tablet/phone?

Yes, you are able to download directly to your Android device. To successfully download to your Android device must have the **Aldiko** or **Libro eReader** app installed (see instructions on our website). Once the app has been installed and authorised with your Adobe ID, you can start to download and read Shetland Library eBooks.

Can I download directly to my Windows tablet/phone?

Our eBook supplier currently has no plans to develop an app for Windows mobile devices.

How long does the eBook stay on my PC/MAC or eBook Reader?

An eBook is loaned for a maximum of 21 days. After this the eBook will expire and will no longer be readable on your PC, tablet or eBook reader. The eBook then becomes available for another user to download. We advise choosing a loan period of less than 21 days if you wish to make full use of your 4-loan entitlement and are likely to read the book in less than 21 days.

Can I extend the loan period?

No. If you have not finished with the eBook, you can download it again if there are no reservations attached to it. If there are reservations then you will need to add your details to the reservation list. An email will be sent when the eBook becomes available for you to borrow again.

If an eBook is being used, can I create a reservation?

Yes, the eBook service allows you to reserve an eBook which has already been downloaded. If you wish to include your email address with the reservation you will be alerted as soon as the title becomes available.

How long have I got to download the eBook when my reserved title becomes available for me to download?

We allow 3 days for the eBook to be downloaded, at which point it is offered to the next reservation, or returns to our eBook stock.

Can I download a title more than once during the loan period?

Yes. If the download fails, or there is some other fault, an eBook can be downloaded again via the 'Manage Loans/Reservations' screen, for the duration of the loan period.

How do I return an eBook once I have finished reading it?

Unfortunately, it is not possible to 'return' an eBook once it is taken out on loan.

Are all books available in eBook format?

Only a small percentage of printed physical books are available as an eBook. And there are some UK Publishers who do not allow their eBook titles to be loaned. The number of e-titles for loan is increasing all the time. Please check the Shetland Library eBook Service frequently for new titles added.

Where can I get help with setting up and using eBooks?

You can drop into one of our free 'Click' sessions at the Lerwick library. These happen every Tuesday morning from 10-11am. No appointment necessary. Or, you can phone us on 01595 74386 during opening hours, with your questions, or to make an appointment.
